

SUSAN DE WARDT • CREATIVE COACH AND MENTOR

Transforming Lives Through Language, Story and Art

Mindworks Coaching offers innovative workshops and one on one coaching to individuals, leaders, and groups to inspire imagination and harness creative energy. Our integrated learning method activates right and left brain thinking to ensure increased awareness of creative potential and enhanced ability to move forward to a new vision of success.

Life Coach Susan de Wardt brings over twenty years of experience in strategic planning, workshop facilitation, success coaching, and human development training to the process of creating extraordinary results.
